

Rebelution - Honey pot

Tom: E
Intro: Dbm B A B

Dbm B
Where were you, when everything went down?
A B
When we heard the sound, and when they announced
Dbm B
It was war, ten dropped or more
A B
And I wasn't sure, now what was it for?
Dbm B
Who could ever see that
A B
This would come true, that we'd have to prove
Dbm B A
We put it on the line, but this time was real
B
And now I can feel it

A B
Ahh ahh ahh
A B
Ahh ahh ahh
Ahhhhh

I can't see and I can't feel my feet
Nobody speaks, and it seems I'm the team
Could it be? The last one is me
And all of my friends, and all of their dreams
Who could ever see that
This would come true, that we'd have to prove
We put it on the line, but this time was real
And now I can feel it

Ahh ahh ahh
Ahh ahh ahh
Ahhhhh

Acordes
