

Rebelution - Safe And Sound

```
Intro: /Refrão:
                                                               Verse 2x:
                                                                  Abm
                                                                                Dbm
                                                               And when we come down,
Verso 2x:
                                                                     B Bb
                                                               We'll be dreaming safe and sound
             Dbm
                             Gh
Δhm
                                                                         Dbm
When we come down,
                                                               You better know why
     В
                                                                 Gb
                                                                      B Bb
           Bb
We'll be dreaming safe and sound
                                                               Baby that's all I got, (x1)
        Dbm
You better know why
                                                               ( Abm Dbm ) 4x
  Gb
         B Bb
Baby that's all I got,
                                                               This the kinda sound that I wanna hear,
                                                               This the kinda vibe that I wanna feel,
( Abm Dbm ) 4x
                                                               Well you're the type of girl, baby on the real,
                                                               Check it one time, what's the deal?
This the kinda sound that you wanna hear,
                                                               Maybe I'm,
This the kinda vibe that you wanna feel,
Well I'm the type of guy that you never fear,
                                                               I'm caught up in the thing that you know I like,
                                                               Check it one time, baby overnight?
You can do your thing then come near,
                                                               See we can make a grand escape,
Maybe I'm,
                                                               Oh we can roll high, by the way
I'm caught up in the thing that you know I like,
Check it one time, baby overnight?
                                                               Verso final 2x:
See we can make a grand escape,
We can get high, baby break,
                                                                  Abm
                                                                               Dbm
I'm all about the look that you're givin' me,
                                                               And when we come down,
I'm all about the dance moves you're lettin' free,
                                                                     В
                                                                           Bb
Well I'm all about a sweet sounding loving spree,
                                                               We'll be dreaming safe and sound
So Listen for my melody,
                                                                        Dbm
And maybe I'm,
                                                               You better know why
I'm caught up in the thing that you know I like,
                                                                        B Bb
Check it one time, baby overnight?
                                                               Baby that's all I got,
See we can make a grand escape,
                                                               (Repetir o solo inicial)
```

We can roll high, by the way yeah yeah yeahh
