

# Red Dead Redemption 2 - Cruel Cruel World

Tom: F

Cruel cruel world must I go on Bb  
 Cruel cruel world I'm movin on  
 I've been living too fast  
 I've been living too wrong  
 Cruel cruel world I'm gone

This big ol' world sure got me runnin' round  
 I heard a voice that said just settle down  
 And with the moonlight as my guide  
 And with this feeling deep inside  
 I know now that I am homeward bound

Cruel cruel world must I go on  
 Cruel cruel world I'm movin on

I've been living too fast  
 I've been living too wrong  
 Cruel cruel world I'm gone

Dusty trail saw a vapor light  
 Was it mirage? I don't know but it seemed right  
 I felt vision(?) I felt trust  
 I knew that then I must  
 Go to her from this cruel world

Cruel cruel world must I go on  
 Cruel cruel world I'm movin on  
 I've been living too fast  
 I've been living too wrong  
 Cruel cruel world I'm gone
