

Red Dead Redemption - Unshaken

Tom: G

May I stand unshaken
 F Amid, amidst a crash of worlds?

Did I hear a thunder?
 F Did I hear you break?
 Gm I can't quite remember
 F Just what guided me this way, oh

May I stand unshaken
 F Amid, amidst a crash of worlds?

The pines, they often whisper
 F They whisper what no tongue can tell
 Gm He who drinks from the deep water
 Bb F Gm May he know the depths of the well
 Gm World

May I stand unshaken
 F Amid, amidst a crash of worlds?

May I stand unshaken
 F Amid, amidst a crash of worlds?

Mmm, oh, traveler
 What have you seen?
 F Were there crossroads

Where you been, where you been?
 Gm I once was standing tall
 F Now I feel my back is against the wall
 Gm

May I stand unshaken
 F Amid, amidst a crash of worlds?
 Gm May I stand unshaken
 F Amid, amidst a crash of worlds?

Oh, oh
 Oh

The morning light

When it comes to me
 F It was there but I could not see
 Gm Am I to wander
 Gm As a wayward son?
 F Will the hunter be hunted
 Gm By the smoking gun?

May I stand unshaken
 F Amid, amidst a crash of worlds?
 Gm May I stand unshaken
 F Amid, amidst a crash of worlds?
 Gm May I stand unshaken
 F Amid, amidst a crash of worlds?
 Gm May I stand unshaken
 F Amid, amidst a crash of worlds?
