Sailing the Sunset Strip I'm a bit of a king
Granny will take a trip I'll be bending the strings
Got hammers in both my hands Such a delicate touch
They say I'm from Amsterdam Does that make me Dutch?

[Refrão]

Please don't remember me
For what I did last night, oh
Please don't remember me Lord and children
Please don't remember me, It's only 1980
It's only 1983

Smoking the reefer Feeling my own life
My brother's a keeper Married a TV wife
The devil's Camaro Parked in a high school lot
A leather sombrero 'Cause teacher was way too hot

Please don't remember me
For what I did last night, oh
Please don't remember me Listen lord now

One more song, they have seen it all
