What I've got, you've got
To give it to your mamma
What I've got, you've got
To give it to your pappa
What I've got, you've got
To give it to your daughter you do a little dance
And then you drink a little water

Terceira Parte:

Lucky me swimmin' in my ability
Dancin' down on life with agility
Come and drink it up from my fertility
Blessed with a bucket of lucky mobility

What I've got, you've got
To get it put it in you
What I've got, you've got
To get it put it in you
What I've got, you've got
To get it put it in you
Reeling with the feeling don't stop continue

My mom I love her 'cause she love me
Long gone are the times when she scrub me
Feelin' good my brother gonna hug me
Drink my juice young love chug-a-lug me

Realize I don't want to be a miser
Confide with sly you'll be the wiser
Young blood is the lovin' upriser
How come everybody wanna keep it like the kaiser

There's a river born to be a giver
Keep you warm won't let you shiver
His heart is never gonna wither
Come on everybody time to deliver

Quarta Parte:

Greedy little people in a sea of distress
Keep your more to receive your less
Unimpressed by material excess
Love is free love me say hell yes

What I've got, you've got
To give it to your mamma
What I've got, you've got
To give it to your pappa
What I've got, you've got
To give it to your daughter you do a little dance
And then you drink a little water

I'm a low brow but I rock a little know how
No time for the piggies or the hoosegow
Get smart get down with the pow wow
Never been a better time than right now

What I've got, you've got
To get it put it in you
What I've got, you've got
To get it put it in you
What I've got, you've got
To get it put it in you
Reeling with the feeling don't stop continue

Bob Marley poet and a prophet
Bob Marley taught me how to off it
Bob Marley walkin' like he talk it
Goodness me can't you see I'm gonna cough it

Realize I don't want to be a miser
Confide with sly you'll be the wiser
Young blood is the lovin' upriser
How come everybody wanna keep it like the kaiser
