Junior pimp at the old café  
Got to chase those girls around  
Westbound, drunk with lots to say  
But he never makes a sound

Hustlers get what they deserve  
But it's always half the gate  
Good things come to those who wait  
Like an expiration date

Am  
See you around I'll see you around  
G  
I'll play all night

Can't get uptight  
Em I'll lead all your mind games astray Dm  
Am  
See you around I'll see you around  
G  
I'll play all night

Can't get uptight  
Em See you, so long, goodbye, hooray Dm

( A G A G A G A Bb A G A G A G A )

Curb your tongue oh scallywag  
Because you've got no flag to wave  
Save your breath for the black and white  
Every dog will have his day

Am  
See you around I'll see you around

G  
I'll play all night

Can't get uptight  
Em I'll lead all your mind games astray Dm
