

Red Hot Chili Peppers - Long Progression

Tom: C

Intro: E7(#9) E Eb Bb

Smile
When im shyng when
But i love
Everything of first impressions

Sweet succession
E7(#9)
Been around for quite a while

I see you kept it versatile

Motivated to combine

Even when it's bad it's fine
Did you say something that made you cry

Have you lost it all
Love it falls

Oh so slowly

Comes back holy
Bishop takes a Knight

But i will put up quite a fight

Here's your ham on rye

Elementary the chemistry

Means everything to me

Long progression's why

E7(#9)
Set it off to collect knowledge, quit a job and go to college

All about the aftershock

Swedish flight and superbug
Moses of Manhattan made it great

Then we celebrate
And i love

The long progression
Indiscretion

Bishop takes a knight
But i will put up quite a fight

Here's your ham on rye

Elementary the chemistry

Means everything to me

Long progression's why

In between the reason's of

The psychedelic seasons

Are simple as your stride

Information inter mated

Elegant and integrated

Sweap your flows with pride

Smile, cause it's all alright

All supplied

And i love everything about

This session and it's long progression

Acordes
