

# Red Hot Chili Peppers - One Big Mob

Tom: **E**

Chords used- **F#**, **B**, **E**, **Eb**, **Db**

Verse

I am you are me. I am you are me. Who?

Good woman said you gotta believe

Submerge into the urge of me.

Deliciously the mystery.

Chorus

One big mob aw yea aw yea X2

Ek bara mala aw yea aw yea X2

One big mob is...

Keep same pattern as in the 1st verse and chorus

Ooze into into my noodle  
 East or West shepard or poodle  
 Ladybug pinetree  
 To mingle with the bumblebee  
 A lover to the sun

And a brother to the cool breeze  
 One big mob is...

Chorus

We live in the city  
 We live in the jungle  
 It's time to be drinking  
 A thimble humble  
 Everything you ever see  
 Is never more than you and me  
 Give it on into the beauty of mystery

After this, the song slows down and this riff is repeated over and over

**B**

Well, that's basically it. If you have any questions, comments,

Attention: Jonathan.

If someone could help me figure out the riff to Aeroplane, I would greatly appreciate it. I know the song is in the key of **C** major and is made of only three chords.
