tom:

Intro: Am Dm G Am Dm

The flower's pink on the tree

But if you pick it to see

Will it be wild and free?

You say you wanted a piece

Is it for sale or for lease?

Oh, that's the easy police (Come on down)

Outside the world within ya

Bend to the Woolf Virginia

Take to the bridge that's under

Hunt for the sun to wonder

Whatcha wanna do today?
