I think the ending is something with Bb C D

Tearjerker. By Red Hot Chili Peppers from their latest album One hot Minute

Starts off with a D

I dont know if this part is played with a 12 stringed guitar.

It sound very high to me, but I donit know.

Anyway, the chords are:

D D(On Db)? G A Bm A Bb C Em Gbm

The thing is that I donit know if there is a 12 stringed guitar or if

you play these chords up around the 12-15 fret.

The chords should be played in a arpeggio kind of way

Something like this:

(THIS IS NOT EXACT)

D DonDb G A

D DonDb G A
D
 My mouth fell open Hoping that the truth would not not be
 true
