Tearjerker. By Red Hot Chili Peppers from their latest album One hot Minute

First time I saw you You were sitting backstage in a dress
 A perfect mess

Starts off with a D

You never knew this But I wanted badly for you to Requite my love

I dont know if this part is played with a 12 stringed guitar.

Left on the floor Leaving your body When highs are the lows

It sound very high to me, but I donit know.

Anyway, the chords are:

and lows are the way So hard to stay Guess now you know I love you so

D D(On Db)? G A Bm A Bb C Em Gbm

The thing is that I donit know if there is a 12 stringed guitar or if

I liked your whiskers And I liked the dimple in your chin
 Your pale blue eyes

you play these chords up around the 12-15 fret.

You painted pictures Cause the one who hurts can give so much

The chords should be played in a arpeggio kind of way

You gave me such

Something like this:

(THIS IS NOT EXACT)

Left on the floor Leaving your body When highs are the lows

D DonDb G A

and lows are the way So hard to stay Guess now you know I love you so

My mouth fell open Hoping that the truth would not not be true

I think the ending is something with Bb C D

Acordes
