

# Red Hot Chili Peppers - The Great Apes

tom:

Intro: F C F F  
Bb Dm G

She?s a box car rollin? by  
Like a black star in the sky  
She?s a failure once or twice  
Like a trailer spinnin? out upon dizzy ice

[Pré-Refrão]

Flowers fly when we grow old  
Snakes get high, or so I?m told  
She?s an eagle out on the road  
Like my favorite Beatle everyone bought and sold

[Refrão]

All of my love and half my kisses  
Superstar don?t do the dishes  
I just want the great apes to be free

Come on now, you lazy cowboy  
Heads or tails, but not right now, boy  
I just want the great apes to be free

She?s a rain bird on the prowl  
Like an urge to be yourself that you won?t allow  
She?s a forest that we burned  
Just a blueprint for a life that we had never learned

[Pré-Refrão]

Flowers fly when we grow old  
Snakes get high, or so I?m told

She?s a lynch mob on the street  
Take another step and I will kill the beat

[Refrão]

All of my love and half my kisses  
Superstar don?t do the dishes  
I just want the great apes to be free

Come on now, you lazy cowboy  
Heads or tails, but not right now, boy  
I just want the great apes to be free

( Am G Am G Am G Am G )

She?s a bus stop, glockenspiel  
She?s a simulation life that you thought was real  
She?s an image that we blurred  
It?s a pixelated panther, now let it purr

[Refrão]

All of my love and half my kisses  
Superstar don?t do the dishes  
I just want the great apes to be free

Come on now, you lazy cowboy  
Heads or tails, but not right now, boy  
I just want the great apes to be free

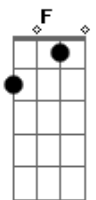

( F C F C )

I just want the great apes to be free

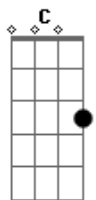

( F C F C )

I just want the great apes to be free
