Be gracious my enemies are all surrounding

Be gracious You are the One that keeps my feet from falling

When I'm afraid I put my trust in You

You are keeping count of all my tears

I am confident that You are for me

Now un - til the end Your Word I praise

I am confident that You are for me  
I won't be afraid I won't be afraid

You are keeping count of all my tears, my tears

I will give thanks to You my Lord

For You have saved me for Kingdom come
