

# Red Rocks Worship - More

Tom: A

[Chorus]

I just want more, I just want more  
 More of You God, more of You God  
 I just want more, I just want more  
 More of You God, more of You

[Verse]

I pour out all I have I lay down all I am  
 I'm making room for You Lord I'm ready  
 To open up my heart To receive not in part

But the fullness of who You are Lord I'm ready

[Bridge]

Come and reach into my heart,  
 come and heal every part Lord  
 I want more of You  
 Just one touch from Your robe  
 Steals the weakness from my bones  
 Oh I need more of You  
 (To Build)  
 Oh I need more of You Lord  
 Just more of You Lord
