

## **Redbone - Come And Get Your Love**

```
Tom: D
                                                           What's the matter with your feel right?
                                                           A D7M
                                                           Don't you feel right, baby?
          Em7 A
                                                          Em7 A D7M Bm
Hey, oh, yeah, get it from the main vine, alright
    (hey)
                  Em7 A D7M Bm
                                                          Em7 A
I said-a find it, find it, go on and love it
What's the matter with your head? Yeah
                                                           D7M Bm

If you like it, yeah-eh
Em7
    Α
     (hey)
Hey
                                                          Em7 A
Hey (hey)
D7M
D7M
What's the matter with your mind and your
A D7M Bm
Sign? And-a ooh-ohh
                                                          It's your business if you want some
Em7 A
Hey (hey)
                                                           A D7M Bm
                                                           Take some, get it together, baby
    (hey)
Nothin's the matter with your head, baby
                                                           [Refrão]
Find it
                                                           Em7
                                                                  Α
                                                                            D7M
                                                                                    Bm
D7M
          Bm
                                                           Come and get your love
Come on and find it
                                                           Em7 A D7M
Em7
                                                           Come and get your love
Hell.
                                                           Em7 A D7M
                                                                                    Rm
                                                           Come and get your love
D7M
       Bm
With it, baby, 'cause you're fine and
                                                           Em7 A
                                                                         D7M
                                                           Come and get your love
 Α
You're mine
                                                           Fm7
              Bm
      D7M
                                                          Hey (hey)
And you look so divine
                                                          What's the matter with your feel right?
[Refrão]
                                                          Don't you feel right, baby?
        Α
                D7M
                          Rm
Come and get your love
                                                           Em7 A D7M
                                                                                       Bm
                                                           Hey, oh, yeah, get it from the main vine, alright
     (hey)
Hey
                                                           Em7 A D7M Bm
                                                          La, la, la, la, la (come and get your love)
                           Fm7
