

Refla - Meu Anjo

Tom: G

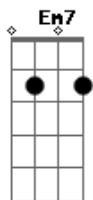

...Lerererê... (laia laia laiálá...laraiá...raia...raia)
 Lerererê...laia laia laiálá (laia laia laia laiálá)
 Lerererê...laia laia laiálá (volta...volta!)
 Meu anjo vai buscar
 Aquela que fugiu de mim
 A noite acabou assim
 Um lobo caçador, paixão
 Meu anjo vai buscar
 Meu mal, meu bem, a tentação
 Nos quatro cantos do salão

Convida ela pra dançar
 Volta e lembra da nossa historio revolta
 Suas broncas tão cheias de glória
 De tudo eu sinto sua falta
 De tudo...em tudo
 Eu vivo o que você falava
 Volta...volta!
 ...Volta pra mim, a música é nossa }
 ...Volta pra mim, romântica ou valsa }
 A nossa letra, a nossa história } BIS
 Volta pra mim, sambar agarradinho }
 Agarradinho...agarradinho.. }
