

Regina Spektor - Genius Next Door

Tom: Ab

(com acordes na forma de Capostrate na 1ª casa G)

Some said the local lake had been enchanted
 Others said it must have been the weather
 The neighbors were trying to keep it quiet
 But I swear that I could hear the laughter
 So they jokingly nicknamed it the porridge
 'cause overnight that lake had turned to thick as butter
 But the local kids would still go swimming, drinking
 Saying hat to them it doesn't matter

If you just hold in your breath
 Til you come back up in full
 Hold in your breath
 'til you thought it through, you, fool

The genius next door was busing table

Wiping clean the ketchup labels
 Getting high and muttering German fables
 Didn't care as long as he was able
 To strip his clothes off by the dumpster
 At night while everyone was sleeping
 And wade midway into that porridge
 Just him and his secret he was keeping

if you just hold in your breath
 til you come back up in full
 hold in your breath
 'til you thought it through, you, foollish child

In the morning the film crews start arriving
 With donuts, coffee and reporters
 The kids are waking up hung over
 The neighbors were starting up their cars
 The garbage men were emptying the dumpsters
 Atheists were praying full of sarcasm
 And the genius next door was sleeping
 Dreaming that the antidote is orgasm

if you just hold in your breath
 til you come back up in full
 hold in your breath
 'til you thought it through, you, foollish child
