

Regina Spektor - Ghost Of Corporate Future

Tom: C

A man walks out of his apartment
 It is raining, he's got no umbrella
 He starts running beneath the awnings
 trying to save his suit
 Tryin to dryin to tryin to dry but no good
 When he gets to the crowded subway platform
 he takes off both of his shoes
 He steps right into somebody's fat loogie
 And everyone who sees him says "ewwww"
 Everyone who sees him says "ewwww"
 But he doesn't care cause last night he got a visit from the
 Ghost of
 Corporate Future
 The Ghost said take off both your shoes whatever chances you
 get
 Especially when they're wet
 He also said
 Imagine you go away
 on a business trip one day
 And when you come back home
 Your children have grown
 And you never made your wife moan
 And people make you nervous
 You'd think the world was ending
 And everybody's features
 Have somehow started blending
 And everything is plastic
 And everyone's sarcastic
 And all your food is frozen
 It needs to be defrosted
 You'd think the world was ending

You'd think the world was ending
 You'd think the world was ending right now
 Well maybe you should just drink a lot less coffee
 And never ever watch the 10 o'clock news
 Maybe you should kiss someone nice or lick a rock or both
 Maybe you should cut your own hair cause that can be so funny
 It doesn't cost any money and it always grows back
 Hair grows even after you're dead
 People are just people
 They shouldn't make you nervous
 The world is everlasting
 It's coming and it's going
 If you don't toss your plastic
 The streets won't be so plastic
 And if you kiss somebody
 Then both of you'll get practice
 The world is everlasting
 Put dirtballs in your pockets
 Put dirtballs in your pockets
 And take off both your shoes
 Cause people are just people
 People are just people
 People are just people like you
 People are just people
 People are just people
 People are just people like you
 The world is everlasting
 It's coming and it's going
 The world is everlasting
 It's coming and it's going
 It's coming and it's going
 It's coming and it's going
