

# Regina Spektor - Ghost Of Corporate Future

Tom: C

A man walks out of his apartment  
 It is raining, he's got no umbrella  
 He starts running beneath the awnings  
 trying to save his suit  
 Tryin to dryin to tryin to dry but no good  
 When he gets to the crowded subway platform  
 he takes off both of his shoes  
 He steps right into somebody's fat loogie  
 And everyone who sees him says "ewwww"  
 Everyone who sees him says "ewwww"  
 But he doesn't care cause last night he got a visit from the  
 Ghost of  
 Corporate Future  
 The Ghost said take off both your shoes whatever chances you  
 get  
 Especially when they're wet  
 He also said  
 Imagine you go away  
 on a business trip one day  
 And when you come back home  
 Your children have grown  
 And you never made your wife moan  
 And people make you nervous  
 You'd think the world was ending  
 And everybody's features  
 Have somehow started blending  
 And everything is plastic  
 And everyone's sarcastic  
 And all your food is frozen  
 It needs to be defrosted  
 You'd think the world was ending

You'd think the world was ending  
 You'd think the world was ending right now  
 Well maybe you should just drink a lot less coffee  
 And never ever watch the 10 o'clock news  
 Maybe you should kiss someone nice or lick a rock or both  
 Maybe you should cut your own hair cause that can be so funny  
 It doesn't cost any money and it always grows back  
 Hair grows even after you're dead  
 People are just people  
 They shouldn't make you nervous  
 The world is everlasting  
 It's coming and it's going  
 If you don't toss your plastic  
 The streets won't be so plastic  
 And if you kiss somebody  
 Then both of you'll get practice  
 The world is everlasting  
 Put dirtballs in your pockets  
 Put dirtballs in your pockets  
 And take off both your shoes  
 Cause people are just people  
 People are just people  
 People are just people like you  
 People are just people  
 People are just people  
 People are just people like you  
 The world is everlasting  
 It's coming and it's going  
 The world is everlasting  
 It's coming and it's going  
 It's coming and it's going  
 It's coming and it's going
