

# Regina Spektor - Hotel Song

Tom: A

Come in, come in  
 Come into my world I've got to show  
 Show show you, Come into my bed  
 I've got to know, Know know you  
 I have dreams of orca whales and owls  
 But I wake up in fear  
 You will never be my, You will never be my fool  
 Will never be my fool  
 Floaters in my eyes, Wake up in an hotel room  
 Cigarettes and lies, I am a child, it's too soon  
 I have dreams of orca whales and owls  
 But I wake up in fear  
 You will never be my, You will never be my fool  
 Will never be my fool  
 A little bag of cocaine, A little bag of cocaine  
 So who's the girl wearing my dress  
 I figured out her number, Inside a paper napkin  
 But I don't know her address I wade downstairs  
 The porter smiles to me a smile, I've bought

With a couple of gold coins, A sign that I've been caught  
 I have dreams of orca whales and owls  
 But I wake up in fear, You will never be my  
 You will never be my dear  
 Will never be my dear, dear friend  
 Dear dear friend, dear dear friend...  
 A little bag of cocaine, A little bag of cocaine  
 So who's the girl wearing my dress  
 I figured out her number  
 Inside a paper napkin, But I don't know her address  
 (SÓ VOCAL E BATERIA )  
 Come into my world I've got to show  
 Show show you, Come into my bed  
 I've got to know, Know know you  
 I have dreams of orca whales and owls  
 But I wake up in fear, You will never be my  
 You will never be my dear  
 Will never be my dear, dear friend  
 Dear dear friend, dear dear friend...
