

Regina Spektor - How

Tom: Eb

How can I forget your love?
 How can I never see you again?
 There's a time and place
 For one more sweet embrace
 And is time, ooh
 when it all, ooh
 Went wrong
 I guess you know by now
 That we will meet again somehow
 (no chords)
 Oh baby
 How can I begin again?
 How can I try to love someone new?
 Someone who isn't you
 How can our love be true?
 When I'm not, ooh
 I'm not over you
 I guess you know by now
 That we will meet again somehow

Ab Bb Eb
 Time can come and take away the pain
 Ab Bb Eb
 But I just want my memories to remain

Eb Ab
 To see your face
 Ab Eb
 To hear your voice

Ab Bb Eb
 There's not one moment I'd erase
 Ab Bb
 You are a guest here now

So baby
 Eb Bb
 How can I forget your love?
 Cm Ab
 How can I never see you again?
 Eb Bb
 How can I ever know why some stay and others go?
 Cm
 When I don't, ooh
 Ab
 I don't want you to go

I guess you know by now
 That we will meet again somehow

Time can come and wash away the pain
 But I just want my mind to stay the same
 To hear your voice
 To see your face
 There's not one moment I'd erase
 You are a guest here now

So baby
 How can I forget your love?
 How can I never see you again?
