

Regina Spektor - How

```
Tom: Eb
  Eb
             Bb
How can I forget your love?
How can I never see you again?
        Eb
There's a time and place
   Bb
For one more sweet embrace
     Cm
And is time, ooh
when it all, ooh
    Ab
Went wrong
            Eb
I guess you know by now
            Bb
That we will meet again somehow
(no chords)
Oh baby
Eb
          Bb
How can I begin again?
    Cm
How can I try to love someone new?
           Eb
Someone who isn't you
        Bb
How can our love be true?
       Cm
When I'm not, ooh
I'm not over you
            Eb
I guess you know by now
            Bb
That we will meet again somehow
```

Acordes

```
Bb
Time can come and take away the pain
         Bb
But I just want my memories to remain
To see your face
Ah
To hear your voice
             Ab Bb
There's not one moment I'd erase
Ab Bb
You are a guest here now
So baby
How can I forget your love?
     Cm
How can I never see you again?
        Eb
How can I ever know why some stay and others go?
       Cm
When I don't, ooh
                   Ab
I don't want you to go
I guess you know by now
That we will meet again somehow
Time can come and wash away the pain
But I just want my mind to stay the same
To hear your voice
To see your face
There's not one moment I'd erase
You are a guest here now
So baby
How can I forget your love?
How can I never see you again?
```
