

# Regina Spektor - Ne Me Quitte Pas

Tom: C

(com acordes na forma de Capotraste na 3ª casa A )

Down in Bowery  
 They lose their ballads and their lipped-mouths in the night  
 And stumbling through the street, they say  
 "Sir, do you got a light?  
 And if you do then you're my friend  
 And if you don't then you're my foe  
 And if you are a deity of any sort then please don't go"

Chorus:  
 Ne me quitte pas, mon cher  
 Ne me quitte pas, ah ah ah  
 Ne me quitte pas, mon cher  
 Ne me quitte pas

Verse 2:  
 Down in Lexington they walk in new shoes stuck to aging feet  
 And close their eyes and open  
 And not recognize the aging street  
 And think about the things were right  
 When they were young and veins were tight  
 And if you are the ghost of Christmas past  
 Then won't you stay the night?

Chorus x2  
 Down in Bronx Bronx  
 The kids go sledding down snow covered slopes  
 And frozen noses, frozen toes  
 The frozen city starts to glow  
 And yes, they know that it will pass

And yes they know New York will thaw  
 But if you're a friend of any sort  
 Then play along and catch a cold

Chorus

Bridge:  
 I love Paris in the rain,  
 I love Paris in the rain  
 I love, I love, I love in the rain  
 I love Paris in the rain,  
 I love Paris in the rain  
 And I Love I love I love in the rain  
 I love, I love, I love in the rain

Verse 3:  
 Down in Paris they walk fast  
 That is unless they're walking slow  
 And in cafes they look away  
 That is unless they look right in  
 And in the gardens I get lost  
 That is unless I'm getting found  
 And if you are the ghost of New York City  
 Then won't you stick around?

Chorus

Bridge:  
 I love Paris in the rain,  
 I love Paris in the rain  
 I love, I love, I love in the rain  
 I love Paris in the rain,  
 I love Paris in the rain  
 And I Love I love I love in the rain  
 I love, I love, I love in the rain
