Tom: C

(com acordes na forma de Capotraste na 3ª casa A)

A
Down in Bowery
D They lose their ballads and their lipped-mouths in the night
A And stumbling through the street, they say
A "Sir, do you got a light?
A And if you do then you're my friend
A And if you don't then you're my foe
A And if you are a deity of any sort then please don't go"

Chorus:
A Ne me quitte pas, mon cher
E Ne me quitte pas, ah ah ah
A Ne me quitte pas, mon cher
E Ne me quitte pas

Verse 2:
A Down in Lexington they walk in new shoes stuck to aging feet
A And close their eyes and open
A And not recognize the aging street
A And think about the things were right
A When they were young and veins were tight
A And if you are the ghost of Christmas past
A Then won't you stay the night?

Chorus x2
A Down in Bronx Bronx
A The kids go sledding down snow covered slopes
A And frozen noses, frozen toes
A The frozen city starts to glow
A And yes, they know that it will pass
A

And yes they know New York will thaw
A But if you're a friend of any sort
A Then play along and catch a cold

Chorus

Bridge:
A I love Paris in the rain,
E I love Paris in the rain
A I love, I love, I love in the rain
A I love Paris in the rain,
E I love Paris in the rain
A And I Love I love I love in the rain
A I love, I love, I love in the rain

Verse 3:
A Down in Paris they walk fast
A That is unless they're walking slow
A And in cafes they look away
A That is unless they look right in
A And in the gardens I get lost
A That is unless I'm getting found
A And if you are the ghost of New York City
A Then won't you stick around?

Chorus

Bridge:
A I love Paris in the rain,
E I love Paris in the rain
A I love, I love, I love in the rain
A I love Paris in the rain,
E I love Paris in the rain
A And I Love I love I love in the rain
A I love, I love, I love in the rain
