

Regina Spektor - The Call

Tom: Bb

It started out as a feeling
 Which then grew into a hope
 Which then turned into a quiet thought
 Which then turned into a quiet word
 And then that word grew louder and louder
 'till it was a battle cry
 I'll come back
 When you call me
 No need to say goodbye
 Just because everything's changing
 Doesn't mean it's never been this way before
 All you can do is try to know who your friends are
 As you head off to the war
 Pick a star on the dark horizon
 And follow the light

You'll come back when its over
 No need to say good bye
 You'll come back when it's over
 No need to say good bye.
 Now we're back to the beginning
 It's just a feeling and no one knows yet
 But just because they can't feel it too
 Doesn't mean that you have to forget
 Let your memories grow stronger and stronger
 'til they're before your eyes
 You'll come back
 When they call you
 No need to say good bye
 You'll come back
 When they call you
 No need to say good bye
