 C G
                Am G
Two birds on a wire

Am

D Fmaj
One tries to fly away
 G
And the other
Watches him close
 Am G
From that wire
He says he wants to as well
Fmaj G
But he is a liar
I'll believe it all
Am Fmaj G
There's nothing I won't understand
C G C I'll believe it all
Am Fmaj G
I won't let go of your hand
             Am G
Two birds on a wire
Am D
One says come on
Fmaj
And the other says
I'm tired
The sky is overcast
 Am G
And I'm silent
One more or one less
Fmaj G
Nobody's worried
C G C
