

Reginaldo Veloso - Como o Sol Nasce da Aurora

Tom: G

0 sol nasce da aurora De Maria nascerá
 Aquele que a terra seca jardim converterá
 Ó Belém abre teus braços ao Pastor que a ti virá
 Emanuel, Deus conosco Vem ao nosso mundo, vem

1- Ouve, ó Pastor do teu povo Vem do alto céu onde está
 Emanuel, Deus conosco Vem ao nosso mundo, vem

2- Vem, teu rebanho salvar Mostra o amor que lhe tens

Emanuel, Deus conosco Vem ao nosso mundo, vem

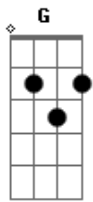

3- Salva e protege esta vinha Foi tua mão que a plantou
 Emanuel, Deus conosco Vem ao nosso mundo, vem

Como o sol nasce da aurora De Maria nascerá
 Aquele que a terra seca jardim converterá

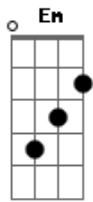

Ó Belém abre teus braços ao Pastor que a ti virá
 Emanuel, Deus conosco Vem ao nosso mundo, vem

Emanuel, Deus conosco Vem ao nosso mundo, vem
