

# Reina Del Cid - Expiration Date

tom:  
Capostrate na 2ª casa

[Primeira Parte]

The night I met you I said  
I'd never want to die  
If I had a boy like you  
'Cause how could death improve  
On that? And I want it known  
Let the record show  
That for all my talk of love  
I never once knew what it was

[Refrão]

Until it left  
Left me here  
So alive  
But without you by my side  
And that's what I get  
I spent my love on something with an expiration date

[Segunda Parte]

From sea to sea I'm sailing  
The memories are fading  
But I always see your face  
Dancing in the waves  
And now what's there to say?  
So let the record play  
Because all that comes to pass

Has nothing on the past

[Refrão]

It seems  
Now in my dreams  
I'm the queen  
Of everything I've lost  
But that's the cost  
When you spend your love on something  
With an expiration date  
( E Abm Dbm )  
( B A B )

[Terceira Parte]

The night I met you I said  
I'd never want to die  
If I had a boy like you  
I hadn't thought it through  
And now the season turned  
And still there's nothing learned  
Because I've still got your letters  
And, yes, I read them twice tonight

[Refrão]

I am here  
So alive  
But without you by my side  
And that's what I get  
I spent my love on something with an expiration date  
I spent my love on something with an expiration date  
Spent all my love on something with an expiration date
