

Reinaeiry - After The War

tom:

Intro: F G C Am
F G C

This is a letter
To the girl I was before
Things will get better
You'll be safe in a place you matter
I know it feels right now
But you'll make it through somehow
I know you're misunderstood
But you what's right and do what's good
I used to dream of you next to me
But now you're really here
And I wonder if this feeling
Is the feeling of coming home, oohh
The next thing I know
It's after the war
And you're next to me
Hand in my hand
Together we'll stand
Under the stars
Oh! How wish
I never doubted you
But we'll fix this together
Hand in my hand
Together we'll stand
Under the stars
(F G C Am)
(F G C)

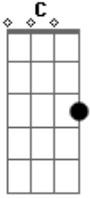

This is a letter
To the girl I was before
You'll find that destiny
Is not set in stone, it's yours to own
I know how it feels right now
But you'll make it through somehow
Learn to take and not just give
The life you have, it's yours to live
I used to dream of you next to me
But now you're really her
And I wonder if this feeling

Is the feeling of coming home, oohh
The next thing I know
It's after the war
And you're next to me
Hand in my hand
Together we'll stand
Under the stars
Oh! How wish
I never doubted you
But we'll fix this together
Hand in my hand
Together we'll stand
Under the stars
I have always loved you
Though I tried not to
I was to blind to see
Hurting you was hurting me
You're worth more than what you give
You're worth more than what you've done
[Catra & Adora]
You're worth everthing to me
You're priceless, you see
And after all is done
We've only begun
We've only begun
The next thing I know
It's after the war
And you're next to me
Hand in my hand
Together we'll stand
Under the stars
Oh! You're my heart
Never to part
And now we're together
Hand in my hand
Together we'll stand
Under the stars
You hand in my hand
Together we'll stand

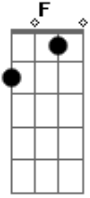

Under the stars ^C ^{Am}
 You hand in my ^F hand
 Together we'll stand ^G
 Under the stars ^C
 Promise me you'll never leave ^F ^G ^C ^{Am}

Promise me you'll try ^F ^G ^C
