

Religado - A Fonte

Tom: C
Intro: C F C F

E se o céu fechar, se o inverno não passar

Se o beija-flor vier e nada encontrar

E se a dor nascer, se a relva não brotar

Eu tenho que entender que tudo vai passar

Eu tenho que esperar, eu tenho que esperar, eu tenho que esperar

Se a sede enfim vier, o cobrador chegar

0 vendaval fizer a torre desabar

Se o frio aparecer, o medo atormentar

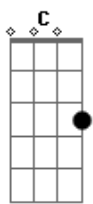

Eu tenho que entender que tudo vai passar

Eu tenho que esperar, eu tenho que esperar, eu tenho que esperar

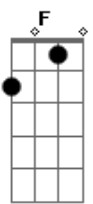

Faz muito tempo que eu não vejo o sol nascer

Eu já nem lembro onde encontrar
