

R.E.M. - Around The Sun

Tom: G

E **G** **D** **Gbm**
 I want the sun to shine on me
 I want the truth to set me free
 I wish the followers would lead
 with a voice so strong it could knock me to my knees

G **Bm** **D** **E**
 Hold on world cos you don't know what's coming
 Hold on world cos I'm not jumping off
 Hold on to this boy a little longer
C **G** **D**
 Take another trip around the sun

If I jumped into the ocean to believe
 If I climbed a mountain would I have to reach?
 Do I even dare to speak, to dream, believe?
 Give me a voice so strong I can question what I have seen

Hold on world cos you don't know what's coming
 Hold on world cos I'm not jumping off

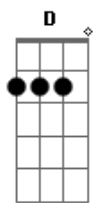

Hold on to this boy a little longer
 Take another trip around the sun

D (**D** **D7** **D** **D**)
 Around the sun
 Around the sun
 Around the sun

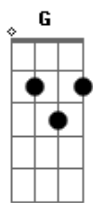

D **F** **C** **Em**
 let my dreams set me free.
D **F** **C** **Em**
 believe. believe.

Em **G**
 now now now now now now...now now now now
Em **G**
 now now now now now now...now now now now
Em **F**
 now now now now now now
Em **F**
 now now now now now now
Am **C**
 Now now now now now now...
Am **C**
 Now now now now now now...
