

R.E.M. - Discoverer

Tom: B
Intro: (Guitarra 1)

(Guitarra 2) Gb4

Verso:
Gb4
Hey baby This is not a challenge

E
It just means that I don't love you as much as I always said I did

Gb4
I was wrong I have been laughable wrong

Sandpaper, paper maché stock, cobweb

Oh, the city We are scared now

E E

But nanananana?

Well, I didn't have to be afraid

I didn't have to feel so stupid

E E
I can see myself I can feel...

Refrão:

With just the slightest bit of finesse

I might have made a little less mess

But it was what it was

Let's all get on with it now?...

Discoverer! Discoverer! Discoverer!

Now....

Verso 2:

From the cross-house tent it's where I am

E E
I see the city rise up tall

The opportunities

The possibilities

E E
Well, I have never felt so calm

Remember, the vodka special night of discovery

Remember that

E E
Laughing, discovery

Oh how I look back and reflect

E E
How I felt it, how I said

I don't have to feel so wrong

E E
Now, why don't you take a few steps back and grasp...?

Refrão:

With just the slightest bit of finesse

I might have made a little less mess

But it was what it was

Let's all get on with it now?...

Discoverer! Discoverer! Discoverer!

Now....

With just the slightest bit of finesse

I might have made a little less mess

But it was what it was

Let's all get on with it now?...

Discoverer! Discoverer! Discoverer!

Now....

Discover! Discover! Discover!
