Hey baby This is not a challenge

E
It just means that I don't love you as much as I always said I did

Gb4
I was wrong I have been laughable wrong

Sandpaper, paper maché stock, cobweb

Oh, the city We are scared now

But nanananana?

Well, I didn't have to be afraid

I didn't have to feel so stupid

I can see myself I can feel...

Refrão:

With just the slightest bit of finesse

I might have made a little less mess

But it was what it was

Let's all get on with it now?...

Discoverer! Discoverer! Discoverer!

Now...

Verso 2:

From the cross-house tent it's where I am

I see the city rise up tall

The opportunities

The possibilities

Well, I have never felt so calm

Remember, the vodka special night of discovery

Remember that

Laughing, discovery

Oh how I look back and reflect

How I felt it, how I said

I don't have to feel so wrong

Now, why don't you take a few steps back and grasp...?

Refrão:

With just the slightest bit of finesse

I might have made a little less mess

But it was what it was

Let's all get on with it now?...

Discoverer! Discoverer! Discoverer!

Now...

With just the slightest bit of finesse

I might have made a little less mess

But it was what it was

Let's all get on with it now?...

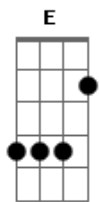

Discoverer! Discoverer! Discoverer!

Now...

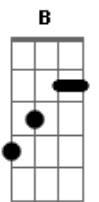

Discover! Discover! Discover!
