GOOD ADVICES

The basic chords for this song are **E**, **D** and **A**, although not the normal open **E**, **D** and **A**. There's also an **Em** and some picking as well.

Here are the chords as I hear them, but due to the numerous guitar tracks on the studio version, your guess is as good as mine:

E **D** **A** **Em** D-lick

The song fades in on the **E** chord and the verses go:

E		
When you greet a stranger,		Verse II:
D		When you greet a stranger,
Look at his shoes.		Look at her hands,
A		E
hands,		Keep your money in your
Keep your money in your shoes,		Put your travel behind.
D-lick		
Put your trouble behind.		

CHORUS:

Who are you going to

call for?

Keep you hat on your head

E

I'd like it here if I couldn't | Keep your memories in
your shoes, |
Even see you from a long way away. | Put your travel behind.

CHORUS (as above):

Break:

Em
At the end of the day,
When there are no friends.

Verse V: (wierd but it works)

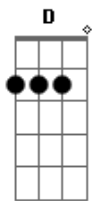

Verse VI:

Who are you going to call for?		I'll forget your name.
What do you have to change.		I'd like it here if I
couldn't		couldn't
(Mike Mills in the background)		Even see you from a long
way away.		way away.

CHORUS (as above) **END**

When you greet a stranger look at his shoes
Keep your money in your shoes put your trouble behind
When you greet a stranger look at his hands
Keep your money in your hands put your travel behind
Who are you going to call for, what do you have to say
Keep your hat on your head home is a long way away
At the end of the day, I'll forget your name
I'd like it here if I could leave and see you from a long way
away
When you greet a stranger, look at her shoes
Keep you memories in your shoes, put your travel behind
Who are you going to call for, what do you have to say
Keep your hat on your head
Home is a long way away
At the end of the day, when there are no friends
When there are no lovers, who are you going to call for
What do you have to change
A familiar face a foreign place I forget your name
I'd like it here if I could leave and see you from a long way
away
Who are you going to call for, what do you have to say
Keep your hat on your head
Home is a long way away
