

R.E.M. - Great Beyond

Tom: A

THE GREAT BEYOND

From:

VERSE

Am7 D2

I've watched the stars fall silent from your eyes
 Oh the sights that I have seen (riff A)
 I can't believe that I believed
 I wish that you could see (riff A)
 that there's a new planet in the solar system
 there is nothing up my sleeve (riff A)

CHORUS

C C Am7
 I'm pushing an elephant up the stairs
 I'm tossing up punchlines that were never there
 Over my shoulder a piano falls
 G(strum)
 crashing to the grouououond

And all this talk of time
 Talk is fine
 And I don't want to stay around
 Why can't we pantomime, just close our eyes
 And sleep sweet dreams
 Being here with wings on our feet

I'm pushing an elephant up the stairs
 I'm tossing up punchlines that were never there
 Over my shoulder a piano falls
 Crashing to the ground

I'm breaking through
 I'm bending spoons
 I'm keeping flowers in full bloom
 I'm looking for answers from the great beyond

I want the hummingbirds, the dancing bears
 Sweetest dreams of you
 Look into the stars
 Look into the moon

I'm pushing an elephant up the stairs
 I'm tossing up punchlines that were never there
 Over my shoulder a piano falls
 Crashing to the ground

I'm breaking through
 I'm bending spoons
 I'm keeping flowers in full bloom
 I'm looking for answers from the great beyond
