

R.E.M. - It's The End Of The World As We Know It (And I Feel Fine)

Tom: C

G
That's great, it starts with an earthquake, birds and snakes,
an airplane -

C7M **G**
Lenny Bruce is not afraid. Eye of a hurricane, listen to
yourself churn -

C7M
world serves its own needs, regardless of your own needs. Feed
it up a knock,

C7M
speed, grunt no, strength no. Ladder structure clatter with
fear of height,

Bb
down height. Wire in a fire, represent the seven games in a
government for

Am
hire and a combat site. Left her, wasn't coming in a hurry
with the furies

C7M **G**
breathing down your neck. Team by team reporters baffled,
trump, tethered

C7M **G**
crop. Look at that low plane! Fine then. Uh oh, overflow,
population,

C7M
common group, but it'll do. Save yourself, serve yourself.
World serves its

G
own needs, listen to your heart bleed. Tell me with the
rapture and the

Bb
reverent in the right - right. You vitriolic, patriotic, slam,
fight, bright

Am
light, feeling pretty psyched.

G **D2** **Am**
It's the end of the world as we know it.

G **D2** **Am**
It's the end of the world as we know it.

G **D2** **Am** **C** **G**
It's the end of the world as we know it and I feel fine.

G
Six o'clock - TV hour. Don't get caught in foreign tower.
Slash and burn,

G
return, listen to yourself churn. Lock him in uniform and book
burning,

C7M
blood letting. Every motive escalate. Automotive incinerate.
Light a candle,

C7M
light a motive. Step down, step down. Watch a heel crush,
crush. Uh oh,

G
this means no fear - cavalier. Renegade and steer clear! **A**
tournament,

Bb
a tournament, a tournament of lies. Offer me solutions, offer
me alternatives

Am
and I decline.

G **D2** **Am**
It's the end of the world as we know it.

Birthday party, cheesecake, jelly bean, boom! You symbiotic,
patriotic,

Am
slam, but neck, right? Right.

time alone)
