

# R.E.M. - Man-Sized Wreath

Tom: G

G  
Turning on the TV and what do I see?

A pageantry of empty gestures all lined up for me - wow!  
G  
I'd have thought by now we would be ready to proceed

But a tearful hymn to tug the heart  
Gb  
And a man-sized wreath - ow!

Am  
Throw it on the fire  
D  
Throw it in the air  
Bm  
Kick it out on the dance-floor like you just don't care, oh  
Am G D  
Give me some

G  
Wave the palms, still the arms, fists in the air  
Gb  
A motorcade of a night-string(?) shows the people that you care - ow!  
G  
Nature abhors a vacuum but what's between your ears?

Your judgement cluttered with fearful thoughts  
Gb  
A headlights and a deer - ow!

Am  
Throw it on the fire  
D  
Throw it in the air  
Bm

Kick it out on the dance-floor like you just don't care, oh  
Am G D  
Give me some

G  
Well I'm not deceived by pomp and odious conceit

But a tearful hymn to tug the heart  
Gb  
And a man-sized wreath-ow!

Am  
Throw it on the fire  
D  
Throw it in the air  
Bm  
Kick it out on the dance-floor like you just don't care, oh  
Am  
Look at what I've found  
D  
Everybody look around  
Bm  
Everybody looking like they just don't care

Am  
Throw it on the fire  
D  
Throw it in the air  
Bm  
Kick it out on the dance-floor like you just don't care, oh  
Am G D  
Give me some  
Am G D  
Give me some  
Am G D  
Give me some
