

# R.E.M. - New Test Leaper

tom:

D

I can't say that I love Jesus

That would be a hollow claim

He did make some observations

And I'm quoting them today

"Judge not lest ye be judged."

What a beautiful refrain

The studio audience disagrees

Have his lambs all gone astray?

Call me a leper

Call me a leper

Call me a leper

Call me a leper

( A Bm Dbm D A )

"You are lost and disillusioned!"

What an awful thing to say

I know this show doesn't matter

It means nothing to me

I thought I might help them understand

But what an ugly thing to see

"I am not an animal"

Subtitled under the screen

Call me a leper

Call me a leper

Call me a leper

( A Bm Dbm D A )

( Bm D G )

( Bm D G A )

When I tried to tell my story

They cut me off to take a break

I sat silent 5 commercials

I had nothing left to say

The talk show host was index-carded

All organized and blank

The other guests were scared and hardened

What a sad parade

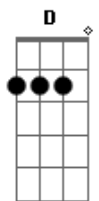

What a sad parade

Call me a leper

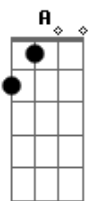

Call me a leper

Call me a leper
