

# R.E.M. - Star me Kitten

Tom: G

G  
Keys cut, three for the price of one.  
Nothing's free, but guaranteed for a lifetimes use.  
I've changed the locks and you can't have one.  
You, you know the other two.  
The brakes have worn so thin that you could hear,  
I hear them screeching through the door from our driveway  
Hey love, look into your glove box heart.  
What is there for me inside? This love is tired.  
I've changed the locks. Have I misplaced you?

E G C D E G C  
Have we lost our minds? Will this never end?  
D E G NC  
It could depend on your take.  
G  
You. Me. We used to be on fire.  
Bb C  
If keys are all that stand between, can I throw in the ring?  
No gasoline.  
NC  
Just fuck me kitten.  
Bb C Bb C  
You are wild, and I'm in your possession.  
Bb C NC  
Nothing's free, so fuck me kitten.  
Bb C NC (Gadd6)  
I'm in your possession, so fuck me kitten.
