

# R.E.M. - Try Not Breathe (cifra Completa)

Tom: G

I will try not to breathe,  
 I can hold my head still with my hands at my knees  
 These eyes are the eyes of the old,  
 shiver in the cold

I will try not to breathe,  
 This decision is mine I have lived a full life  
 and these are the eyes that I want you to remember

Oh  
 I need something to fly over my grave again  
 I need something to breathe

I will try not to burden, I can hold these inside  
 I will hold my breath until all these shivers subside  
 Just look in my eyes

I will try not to worry you, I have seen things that you will never see  
 Leave it to memory me, shudder to breathe  
 I want you to remember

Oh  
 I need something to fly (you will never see)  
 Over my grave again (you will never see)

I need something to breathe (something to breathe)  
 Baby Don't shiver now,  
 Why do you shiver now (I will see things you will never see)  
 I need something to fly (something to fly)  
 Over my grave again (I will see things you will never see)  
 I need something to breathe (something to breathe)  
 I want you to remember

Oh  
 I need something to breathe (something to breathe)  
 I want you to remember
