

R.E.M. - Überlin

Tom: Bb

(com acordes na forma de G)
 Capotraste na 3ª casa
 Intro:

Verso:
 Hey now, take your pills, and hey now, make your breakfast

5 stops, change the station,
 Hey now, don't forget that change will save you
 Hey now, count a thousand,
 million people that's astounding
 Chasing through the city with their stars on bright.

Hey now, comb your hair and off to work

I know, I know, I know what I am chasing
 I know, I know, I know that this is changing me

Crash land, no illusions; no collision, no intrusion

I am flying on a star into a meteor tonight,

My imagination runs away

I am flying on a star, star, star
 I will make it through the day and then the day
 becomes the night

Riff:

I will make it through the night.

Hey now, take your pills, and
 Hey now, make your breakfast
 Hey now, comb your hair and off to work.
 Crash land, no illusions;
 no collision, no intrusion
 My imagination runs away.

Solo: Bb F C G Bb F C G

I don't mind repeating
 I am not complete,
 I have never been the gifted type
 Hey man, tell me something
 are you off to somewhere?
 Do you... want to go with me tonight?

I know, I know, I know what I am chasing
 I know, I know, I know that this is changing me

I know, I know, I know that this is changing;

I am flying on a star into a meteor tonight,

We walk the streets to feel the ground

I am flying on a star, star, star

I'm chasing: ÜBerlin

I will make it through the day and then the day

I am flying on a star into a meteor tonight,

becomes the night

I am flying on a star, star, star

I will make it through the night. (riff)

I will make it through the day and then the day

becomes the night

Hey now, take the U-Bahn

I will make it through the night. (Riff)
