

The Rembrandts - Goodnight

Tom: C

When you need someone that you can turn to
 Honey don't you know you can turn to me?
 And if you need a hand to help you hold on
 Honey don't you know you can hold on me?
 'Cause you've given me the moon

Oh of this you're unaware
 And you'll be movin' on so soon
 To the life that's waiting out there
 Goodnight my sweet angel
 It's time to close your eyes
 Goodnight my sweet angel
 I'll see you when you rise
