

Ren - How To Be Me (part. Chinchilla)

G tom:

[Verso 1]

I don't feel safe in this bed
 There are voices in my head
 I've been talking to?the?dead
 And the fear?baptised me
 My kingdom turned to dust
 And?I watched all my riches rust
 Have I lost the Midas' touch?
 Or do sad eyes blind me?

[Refrão]

Over and over we go
 Over the hills and the valleys bellow
 Oh, and it follows me, follows me home
 And it suffocates me, hmmm

[Pós-Refrão]

Oh, I can't breath
 I said oh, I can't breath
 All I know is I forgot how to be me
 [Verso 2]

I don't feel safe in the halls
 There are bruises on the walls
 There are bodies in the floors
 And they breathe so loudly
 I wish I could move

Get up and walk right out this tomb
 Do our saviours die too soon?
 For my sins surround me
 [Refrão]
 Over and over we go
 (Over and over we go)
 Over the hills and the valleys below
 (Over the hills and the valleys below)
 Oh, and it follows me, follows me home
 (Follows me, follows me)
 And it suffocates me, hmmm
 [Pós-Refrão]

Oh, I can't breath
 I said oh, I can't breath
 All I know is I forgot how to be me
 Halleluja
 Where is my god, where are you?
 Halleluja
 Nothing is pulling me through
 Halleluja
 When I don't know how to be
 Halleluja
 I forgot how to be me
 When he gave up the fight
 A quick decision late in the night
 That stayed with me for all of my life
 I miss you so
