**Dbm**  
 Now that you're here I am sure about the feelings I have **E**  
**Dbm**  
 Before you walked in I was counting the days that were left **E**  
**B** **A**  
 Until you, say that to me  
**B** **A**  
 Until you, come here to me

**E**  
 I was dreaming of you  
**Dbm**  
 I was down on my knees  
**A**  
 But it all went away  
**B**  
 When you told me  
**E Dbm A B**  
 That you have?

**Dbm**  
 From the beginning til now you're closer to me **E**  
**Dbm** **E**

Laughing and getting together, didn't want you to leave  
**B** **A**  
 Until you, say that to me  
**B** **A**  
 Until you, come here to me

**E**  
 I was dreaming of you  
**Dbm**  
 I was down on my knees  
**A**  
 But it all went away  
**B**  
 When you told me  
**E**  
 That you have met someone  
**Dbm**  
 So I lost all my hope  
**A** **B**  
 To give you a real kiss, before you go  
**E Dbm A B**  
 Before you go

**Dbm** **E**  
 Now that you're here I am sure about the feelings I have
