

# Renan Guerra - Let It Flow

Tom: C

I, know, there's a place I want to be  
 Just, waiting, for the time that I can leave  
 Bringing my music, to the world  
 Never letting go my dream  
 To make people happy ? to make people sing  
 The song of happiness with me  
  
 Na na na Na na na  
 Come on and dance with me, be that someone you want to be  
 Na na na Na na na  
 If people keep saying no, keep your head up and let it flow  
  
 I, see, people standing right by me  
 Un - unhappy, like a bird that isn't free  
 Wanting to fly, and go somewhere else

Being what they're born to be  
 Wings are for flying, the voice to sing  
 The song of happiness with me  
  
 Na na na Na na na  
 Come on and dance with me, be that someone you want to be  
 Na na na Na na na  
 If people keep saying no, keep your head up and let it flow  
 Na na na Na na na  
 Come on and dance with me, be that someone you want to be  
 Na na na Na na na  
 If people keep saying no, keep your head up and let it flow  
 Na na na Na na na  
 Come on and dance with me, be that someone you want to be  
 Na na na Na na na  
 If people keep saying no, keep your head up and let it flow
