

Renascer Praise - Mil graus

Tom: C

(F C Em Am F C G)

Solo Intro:

OU

Na presença dos homens, na presença dos anjos

Sempre eu Te louvarei, Te louvarei

Mesmo estando em guerra, vou celebrando minha vitória

Eu te louvarei, te louvarei

Sobre toda terra novo som se ouvirá

Tua alegria força pra continuar

Deus de maravilhas, de maravilhas!

Te louvar, Te louvar, te louvar

Eu entro na Sua presença pra receber o Seu poder

E quanto mais o tempo passa, mais quero De_us

O fogo cai, a igreja canta, o inimigo vai ao chão

É fogo e glória nas cabeças, mil graus de unção, mil graus de unção

O som da festa vai subir, Sua glória descerá

E se ouvirá um novo som de aleluia

Final em C
