

Renata Arruda - Eu Me Cheguei

Tom: C

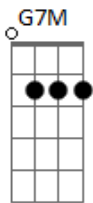

G7M
 Eu me cheguei meio tonta
Am7 **D7** **Am7**
 Repleta de doces pra te oferecer
D7
 Fui lambuzando teu colo de mel
G7M **GSus**
 Feito louca, uma deusa, um erê
C7m **Db**
 Eu nem me fiz de rogada
Bm **E7**
 Abri logo as cartas e assustei você
A7 **Am7**
 Embaralhando meus versos no ar
D7 **Dm7** **G7**
 Eu nem quis mas paguei para ver
C7M **Db**
 De repetir: Eu te amo, te amo, te amo
Bm7 **E7**
 Escutei teu afeto

A7 **D7** **Cm**
 Mas na verdade nem sei se ouvia tua voz
G7M
 Ou só era o meu eco
G7M **Am7**
 Eu me cheguei enlaçando meus olhos tuas pernas
D7
 Acabei tua refém
Am7 **D7**
 Mas de uma coisa estou certa
G7M **GSus**
 Todo amor me liberta e eu te fiz muito bem
C7M **Db**
 De repetir: Eu te amo, te amo, te amo
Bm7 **E7**
 Escutei teu afeto
A7 **D7** **Cm**
 Mas na verdade nem sei se ouvia tua voz
G7M
 Ou só era o meu eco
