

Renato da Rocinha - Pra Dor Me Esquecer

tom:

A

São dois corações sorrindo ao prazer

Em sentir o quanto é simples amar

Laços de verdade unindo a razão

Dominando as lágrimas do meu olhar

A E7 Gbm

Eu, que duvidava da mágoa fluir

Preferi o tempo pra dor me esquecer

E o próprio tempo tratou de puir

Todo nó pro amor me levar pra te ver

Gb7 Bm

Não sabia ser assim

E7 A

Tudo o que ouvi falar

Nas canções que aprendi

Hoje entendo e vou cantar

Com a voz de quem sofreu

E aprendeu a confiar

No bailar do sentimento a vida faz com o tempo um belo par

A Dbm

Tem sabor, tem dandê

Bem querer, bem me faz

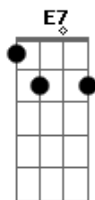

O calor do prazer

Temperou minha paz
