

# Renato & Lucas - Bright Maze

Tom: **D**

**D**  
You wait  
In the silence of the street

**G**  
Of yellow light and haze  
With wet benches

**Am**  
making mazes

**D**  
You smile  
Trying to find a way

**G**  
The red reflection on the street

**Am**  
Making you stay

**D**  
If you want to  
**Bm**

Do what you think

**D**  
If you want pride

**Bm**  
Deserves to win  
If you want

Burn my life **G**

Stay with me

**C**  
I just wanna play the same games

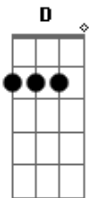

**Em**  
I don?t wanna feel the same

**D**  
I just wanna creep

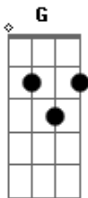

**C**  
In this bright maze

**Cm**  
Shine me
